## **Bank of Central Florida Proudly Celebrates 10<sup>th</sup> Anniversary**

The Bank of Central Florida team celebrated their 10<sup>th</sup> Anniversary while attending a Detroit Tigers game earlier in March. The Bank's board members, management team, employees and their family members were all invited to attend. The celebration took place in the Florida-themed Margaritaville Deck, located directly down the right field line in the newly renovated Publix Field at Joker Marchant Stadium. The Tigers announced the Bank's 10<sup>th</sup> anniversary over the PA system during the game.

Founded on March 19, 2007, Bank of Central Florida originated to serve the financial needs of the local marketplace. "We're very proud of our Bank of Central Florida team and for the role each employee has played in our growth over the past 10 years," said President/ Chief Executive Officer Paul J. Noris. "Our team is committed to exceeding client expectations and to bringing the Art of Intelligent Banking to the wonderful community in which we all live and work."
